1929 Monon Caboose Restoration

Help us restore our original 1929 Monon Caboose!

Kept next to The Depot Railroad Museum, this gorgeous piece of Hoosier rail history came to us in the 1990s, and has been a source of wonder, education, and inspiration for everyone who visits. Unfortunately, time has been working against our beloved caboose and it requires a new secure platform, replaced roof, better access stairs, and a sparkling new paint job, amongst some other things.

We received a Heritage Support Grant from the Indiana Historical Society that will cover a lot of our efforts, but we need your help too!

We require a \$7,500 match to ensure the completion of the grant and work needed. We are already almost 16% at our goal, but we still have a ways to go.

If you are interested in donating to help us maintain this piece of history for decades to come, reach out to us at the Depot Railroad Museum or the Stevens Memorial Museum!

Why Give?

Your financial support is essential to our success and will leave a lasting legacy as we continue our mission to collect and preserving Washington County history.

Contributions will be recognized in our annual magazine *The Historian* and will be added to a list of supporters for our Caboose Restoration efforts.

Any and all help is greatly appreciated!
